5th International Conference on Computing Paradigms (ICCP-2019) is to provide a forum that stimulates discussion on the state-of-art research in Computer Science and Applications. The focus is on evolving computing models that has great impact. The conference provides an opportunity for networking and collaboration among scholars from academia, industry and government. To ensure highest quality of standard, all papers submitted to ICCP-2019 will be online and reviewed using a double blind process.

Don Bosco College (Co-Ed), Yelagiri Hills is a higher educational institution, managed by Salesians of Don Bosco (SDB). As an Arts and Science College, affiliated to Thiruvalluvar University, the College has extensive experience in innovative educational pedagogy and industrial expertise specifically in computer education. Don Bosco College is a preferred institution for residential education on a hill environment.
